

Barraclough Hall School

Weekly Newsletter Issue 4 – W/C March 17th

School Attendance

Students' attendance once again is 100%. Well done to all our students. It's an absolute pleasure seeing our young people arrive wearing their uniform with pride and a smile on their face as they are greeted by their staff team.

Neurodiversity Celebration Week

This week it was Neurodiversity Celebration Week. As we are a new school our celebration was the great effort all our new students have made in transitioning into their new school life here at Barraclough Hall. We are so impressed with their progress and resilience and can't wait to see what more they can achieve. Students have named this as "the magic door".

St Patrick's Day

We celebrated St. Patrick's Day with a day packed full of fun. The students cooked their favourite meals, completed wordsearches and puzzles and took part in a "green hunt" around school to find their favourite "green" item and even found an interactive green maths app

Red Nose Day

Crystal Class had a great time celebrating Red Nose Day. They did some Red Nose Day themed activities, made and decorated buns to take home and enjoy and joined in Red Nose Day quizzes.

Next week students will be working on their ideas for our courtyard and tranquil wood area. This will be our student project focus for the summer term. They have already been discussing their ideas with each other and staff. Watch this space!

Our new class opens After the Easter break. We are really looking forward to welcoming Diamond class to Barraclough.

Dates for your diary: Spring Term 2

End of spring 2 break up: April 4th - We hope you have a wonderful Easter break.

Summer 1 term starts April 22nd.

Consultations and placements are now open for the Summer term and September 2025 places. Please contact the school for enquiries or to arrange a visit.
