

## **Barraclough Hall School**

### **Weekly Newsletter Issue 5 – W/C March 24<sup>th</sup>**

#### **School Attendance**

The attendance this week. All students have 100% attendance – Well done everyone.

#### **Settling in**

It's so nice to see our new students loving coming to school and engaging with different activities with each other and staff. This week Crystal Class have enjoyed creating different crafts, spending time outside with the new sensory equipment and baking a delicious Biscoff Cheesecake.

This week during Maths lessons, Crystal class have been focusing on length and height. All students were extremely imaginative and enjoyed using different measuring tools and techniques.

They explored the school finding things to measure and compared the length of the objects they found. They even measured each other, labelling their current height, marking specifics and are looking forward to seeing how they grow during their time with us.

#### **Coming up!**

Next week students will be given the chance to take part in lots of different easter activities such as baking, making easter bonnets and even an easter egg hunt around the school site. How egg-citing!!!

#### **Dates for your diary: Spring Term 2**

End of spring 2 break up: April 4<sup>th</sup>

Summer 1 term starts April 22<sup>nd</sup>

**Consultations and placements are now open for the Summer term and September 2025 places. Please contact the school for enquiries or to arrange a visit**
