

Barraclough Hall School

Weekly Newsletter Issue 6 – W/C March 31st

School Attendance

The attendance this week is 98%.

Well done to everyone for a successful first term at Barraclough Hall School. Thank you to all parents and carers for their support. We are really looking forward to welcoming the 2nd cohort of students and new staff after the Easter break.

In Science this week, Crystal class have continued to work on their Physics knowledge using different types of equipment with a focus on magnetism. They used different objects and we were really impressed with how they used their imagination and created their own experiments. It has been a pleasure listening and watching how students have collaborated with each other.

Easter fun

We have had an egg-cellent last week of term filled full of easter crafts, baking and much more. We have made Easter bonnets, sewn some easter characters and made Chocolate Rice Crispy Nests. The Easter bunny even visited us early and left us an easter egg hunt leading to some Chocolate Eggs.

The highlight of the week for all staff and students has to be the Barraclough Hall whole school Easter Egg hunt in every room of the school and outside areas. Students really enjoyed taking part in hunting for plastic eggs with English and Maths questions and clues. A really creative way of learning Maths and English in our wonderful outdoor areas.

Reading

With the weather getting a little warmer, students are really keen to spend time during their reading session in our tranquil outdoor area with their own books. If your child has a specific book that they would like to bring to school, please encourage them to do so.

Who do I need to contact?

All initial enquiries should go through the school office by emailing schooloffice@barracloughhallschool.co.uk or calling 01484 244300. Should you wish to inform us of an absence please speak with the school office. Should the school office not be available please leave a voicemail which will be picked up.
