

Barraclough Hall School

Weekly Newsletter Issue 3 – W/C March 10th

Welcoming our new young person to Barraclough!

We welcomed a new student this week into Barraclough Hall, who has had a great first week. He arrived with a lovely smile on his face showing pride wearing his new uniform and our existing students have demonstrated positivity and welcomed him into their class. Friendships have already started to be made across the class which is wonderful to see.

School Attendance

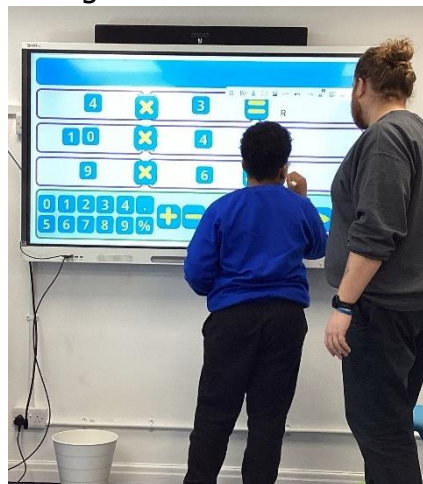

Well done to all our students. Each student has demonstrated 100% attendance again this week.

This Weeks Class Focus: Crystal Class

Crystal Class have been investigating forces in Science with some great science experiments this week. They used magnets, created their own circuits and investigated magnetism using different pieces of equipment and were able to apply them to real life situations where they had a great discussion using excellent social communication skills.

Our **new interactive smartboards** have been a great hit. Each student has thoroughly enjoyed using the new interactive smartboards – particularly for Geography and Maths lessons. This has led to excellent discussions about the world and peer mentoring during Maths using the interactive features bring subjects to life.

School Uniform

School Uniform Wearing a school uniform is one of the ways in which positive relationships and a sense of belonging are developed at school. Order forms can be found on the school website or can be collected from the office. Please note we can currently only accept cash payments.
